TO: PROSPECTIVE APPLICANTS

FROM: CHAIRPERSON, ZONING BOARD OF APPEALS

RE: Instructions and guidelines for preparation and submittal of applications to the Zoning Board of Appeals

All applicants must first apply to the Building Department for a building permit. Building permit applications must be sufficiently complete for the building inspector to make a determination as to what variances are required. If the permit is refused, a written referral to the Zoning Board of Appeals will be drafted by the Building Inspector. No application for a variance will be entertained by the Zoning Board of Appeals without a written referral from the Building Inspector.

After the application has been reviewed and deemed complete it will be scheduled for a public hearing on the next available meeting date. There are no deadlines. Applications are reviewed in the order they are received. Although every effort is made to expedite each application, there is no specific time limit in which to review applications.

Applicants should review the agenda one week prior to the meeting. Agendas are available on the Village website or in person from the Building Department. Alternatively, applicants may contact the Building Department at 631-725-0224 to ascertain the presence and location of their application on the agenda.

The submittal of an accurate, thorough application with all necessary information is prerequisite to the scheduling of a public hearing. An incomplete application will only delay the processing cycle.

Following a review of the Environmental Assessment Form Part 1, if required, a determination will be made as to whether an Environmental Assessment Form Part II evaluation will be required. If an EAF part II is needed it will be prepared by the Village Consultant and no public hearing will be scheduled until after it has been Completed and provided to this Board.
